City Living Reimagined

Spanning across a locale that is tranquil, convenient, and close to the city, is one of the largest residential developments of the year: Grand Dunman. In a mere 2-min stroll, you can reach Dakota MRT station, making your home a rare gem closest to a train ride into the city.

The Park Connector Network extension means even cycling is an option for travels towards exciting locations such as Marina Bay Waterfront Promenade to East Coast Park and its future "Long Island". Overlooking the river and landed enclave, with sceneries of the city and the sea, are homes spread across 7 majestic towers with a spectacular view to behold. Over 40 exceptional facilities can be found within the development – thoughtfully designed for everyone.

Inspired by the significance of rivers shaping landscapes, this development alludes to a harmonious merger of the different scapes of a new city. This is a home where City Living has set a new standard. This is your home where City Living is Reimagined.
